Where you're staying

House manual

PARKING is in the underground garage, dedicated parking spot #207. To exit the garage use the button to the right of the overhead garage door to open the door.

Our THERMOSTAT is on the wall outside the downstairs bedroom. Press the "..." button to see the current temperature. To change it, scroll through to the "fire" symbol and set the temperature to a min of 55 and a max of 69 degrees. Turn the small fan on that is upstairs, as that will help circulate the heat throughout the home. Set to 60 degrees for the most comfortable sleeping. None of Kirkwood has air conditioning as it is needed. only in very rare days of July.

TRASH will be removed by the cleaning service when you leave. If you need to remove it during your stay, it should be taken to the trash room (the double doors to the right of the overhead garage door in the parking garage.)

GASOLINE (88 octane) and an air compressor (for tires) are located in the parking lot of the Kirkwood Inn (on Route 88 just East of the Kirkwood Meadows Drive entrance.

A GENERAL STORE is located across from the KCA on Kirkwood Meadows Drive and is open 8am to 5pm during the season.

*Our home has cable TV and Apple TV. See instructions in the unit.

*The gas fireplace is operated by the switch on the wall to the left of it.

*Upon checkout please remove any of your food from the refrigerator that may spoil.

*No pets

*No smoking in the condominium.

*Please leave wet skis and gear in the hallway or on the tile just as you enter our home to prevent damage to the carpet.

House Rules

- Very strictly NO smoking inside the unit. Pets permitted with deposit which will be returned provided there is no damage to the unit. Treat it like your home and it will become your home away from home because you will return.
